*Note: Entire project is worked in the  
round. Use a stitch marker or a scrap  
piece of yarn to mark the beginning of  
each row. Then you don't have to count  
every row. Do not join unless instructed  
to.*

*Parentheses indicate a repeat. Repeat  
the stitches in the parentheses for the  
number of times indicated.*

*The bracketed number [ ] is the number  
of stitches at the end of each row.*

*I spread my increases out so there isn't a  
seam on the finished piece. If you do not  
like this method, you can do regular  
increases.*
